The information given in this application is confidential and only to be used for loan purposes. All completed applications can be mailed to PO Box 858, Eagle Butte, SD 57625, or emailed to info@akiptan.org, or faxed to 1-605-964-8082.

To the Youth Applicant: There are two things you should do before completing this loan application:

1. Age eligibility for the Youth Loan is 10-20 years of age and a maximum amount of \$5,000. If you are under 18, either a parent or legal guardian must consent to you getting the loan. Make sure that your parent or legal guardian supports your decision to apply for a Youth Loan and that they understand they may need to co-sign the loan along with you. If your parent or legal guardian approves, but does not want to co-sign on the loan, you can choose another individual who is 18 years old or older to co-sign for you.
2. The Loan requires that you must have a project advisor. Your project advisor must sign the application in the appropriate section. This person can be your 4-H club leader, a county extension agent, Agriculture teacher, FFA Advisor, elder within the community, IAC TA Network Staff, etc. as long as the chosen advisor has qualifications that would give strong leadership to the loan activity. Keep in mind that whoever you choose as your advisor will be expected to help you plan your project, review your records, help you with problems and answer any questions you might have. Talk with the person you choose to make sure he/she is willing to take on this responsibility and sign your loan application as your project advisor.
